ARM THE SPIRIT: A STORY FROM UNDERGROUND AND BACK

[DOWNLOAD](#)

AK Press, United Kingdom, 2010. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book. Block's memories of [her period underground] are consistently evocative and occasionally emotionally wrenching, compelling the reader to stay glued to the text. CounterPunch Diana Block's *Arm the Spirit* is a stunning piece of work with pitch-perfect voice and strong writing. She gives voice to many of us who took up the vocation of revolution and who have remained true to the vision of a radically transformed world. Roxanne Dunbar-Ortiz, author of *Blood on the Border* In June 1985, Diana Block, her two-week old son and five companions all of them active in the struggle for Puerto Rican independence fled L.A. after finding a surveillance device in their car. Facing the possibility of arrest because of her militant activities, Diana spent the next decade living underground, on the run from the FBI, raising two children and juggling security, solidarity and motherhood. In a perfect demonstration that the personal is political, Diana's memoir offers unique insights into the reasons why many people took up arms against the U.S. government in the 1960's and 1970's in response to racism, male supremacy and war. The book also traces Diana's political development on either side of her time underground, offering a fresh look at the history of the 1970's and an analysis of the social terrain of the 1990's when she resurfaced and tried to reintegrate into a very different world. Relayed with emotional depth and a poetic style, *Arm the Spirit* brings a woman's perspective to a subject typically dominated by heroic, male discourse. The book paints a vivid, complex picture of underground life and its many challenges. What is it like to raise children who don...
