Reviews

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

2007. Hardcover. Book Condition: New. 70 The noble idea behind the book is to deal with the life of children reflecting a vision of their world, their rights and how best they can be protected in an adult domain. This book is entirely devoted to promote spirit of adventure and values such as compassion, tolerance, sympathy, respect, and concern for other, rational and scientific outlook, humanism, felling of social justice and national integration and respect of cultural heritage, national and international values. Having equipped with the them- "Rights, happiness and dignity the voice of children", this book will help the children to develop in them an integrated personality to grapple with the challenges of the future with confidence. Someone has rightly observed saying, "It is better to bind your children by respect and gentleness than by fear." This book would prove useful to millions of students and laymen as it is written in a simple and lucid style with in the easy grasp of the lay readers. About The Author:- "The are three difficulties in authorship: to write anything worth publishing, to find honest men to publish it, and to read it". I never had any inclination to write, I took to writing only after I entered into the profession of teaching. Graduated from Berhampur University, I started my career as high school teacher in 1986. As a teacher in English I found the subject being taught miserably at schools; especially in the tribal district of Koraput in Orissa. The standard of English among the student is in a deplorable condition. English as a second language has been utterly neglected by students and teachers as well. I took to writing with an aim to make the subject endeared to them and evade away the existing averseness towards the subject. Frankly...
