Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Conqueror, Vol. 1 of 2: Being the True and Romantic Story of Alexander Hamilton Skeleton I unearthed in the old Common Records and Church Registers, still the fact remains that I did find the skeleton, which I have emphasised as far as is artistically possible. NO date is given nor deed referred to that cannot be found by other visitors to the Islands. More over, I made a careful study of these Islands as they were in the time of Hamilton and his maternal ancestors, that I might be enabled to exercise one of the leading principles of the novelist, which is to create character not only out of certain well-known facts of heredity, but out of understood conditions. In this case I had, in addition, an extensive knowledge of Hamilton s character to work backward from, as well as his estimate of the friends of his youth and of his mother. Therefore I feel confident that I have held my romancing propensity well within the horizon of the probabilities; at all events, I have depicted nothing which in any way interferes with the veracity of history. However, having unburdened my imagination, I Shall, in the course of a year or two, write the biography I first had in mind. No writer, indeed, could assume a more delightful task than to chronicle, in any form, Hamilton s stupendous services to this country and his infinite variety. G. F. A. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
