Nicholas Argeneau was once a successful hunter who went after rogue vampires who break the immortal law. Except no one has mentioned his name in the last fifty years, not since he turned into a rogue himself. But once a hunter, always a hunter. When Nicholas sees a bloodthirsty sucker terrifying a woman, it's second nature for him to come to her rescue. He had no idea he would also want to kiss her senseless. One minute Josephine Willan is taking in a breath of fresh air, and the next sharp fangs are heading straight for her neck! Luckily a gorgeous stranger saves her life, and gets locked up for his troubles. Can a man who kisses so lovingly and passionately really have committed the crime he's accused of? Josephine isn't so sure, and she's determined to prove that this renegade hunter is worth fighting for.

Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication will never be effortless to begin on studying but extremely entertaining to learn. It is probably the most incredible publication I have gone through. I realized this ebook from my dad and dad suggested this publication to learn.
