*A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, changed the way I believe.*

## PROPHECY OF STONES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The bond of love can conquer all, but only if it is accepted. - Prophecy states that three champions imbued with the best virtues of the mortal race: heart, strength and soul, will be the ones to save them all from an enemy which threatens to steal the life from their world and those who live upon it. These three, along with their scribe, his bond mate, and an overly sarcastic oracle, must set off on a journey which will take them through forest, city, swamp and mountain. On this quest they activate the magical stones which charge the only weapon powerful enough to defeat Tildar and his cult of Dwell. Yet the closer they draw to journey s end, the more it seems that it is not the evil which will be their downfall, but the fear of a champion unwilling to accept the bond of their destiny. Prophecy of Stones is a story of adventure, love and magic.
