Sweet Memories Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.WHO GIVES A SH\*T is, quite possibly, the most honest book written in the last one thousand years. The book's title reflects one of the most common remarks thought by people or muttered under their breath when someone says or does something that doesn't mean a damn to them. Admit it. The phrase, Who Gives A Shit, is on the tip of your tongue several times a day. And if you had just a little bit more guts, you'd look someone squarely in the eye and scream, Who Gives A Shit. Well, now, we've made it easy for you to express what's on your mind without saying a word. When someone says or does something that doesn't mean a damn to you, simply hold up this book's cover and flash it at them. It has been field-tested to be readable from a distance of forty-seven feet. On the slim chance that this book does not appeal to you, we have only one thing to say: WHO GIVES A SHIT.
