Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. World Fantasy Award Finalist for Best Novel! A fantastical novel based on the story of America's greatest hoax, the Cardiff Giant - shows up even the legendary P.T.Barnum! All with a great twist from award-winning and regular FSF author Harvey Jacobs, called one of the country's most accomplished authors by Kirkus Reviews. Gaze upon the ancient giant turned to stone! Hear him speak! In 1868, George Hull heard a sermon proclaiming America to be the land of Genesis, home to the Giants in the earth. Scion of a wealthy New York family of cigar makers, Hull set out to prove that sermon right. And thus was born the Cardiff Giant. Found on Stubby Newell's farm in Cardiff, New York, in 1869, Goliath soon created more of a stir than any of P.T.Barnum's great exhibits - which, of course, piqued the interest of the Great Showman himself, who was never to be outdone when it came to separating suckers from their riches. The tale of Goliath and his creator is a witty, raucous, and bawdy tale of American life at its finest. Step right up and see! PRAISE FOR AMERICAN GOLIATH An inspired novel. -TIME Magazine A masterpiece, arguably this year's best novel. -Kirkus Reviews. A wonderfully engrossing read. It is an enlightening and life-enhancing read. It is the best novel of a very fine writer and I recommend it to everyone who has given up of ever again being entertained at such a high level of aspiration. -SFWA Grandmaster Michael Moorcock If Mark Twain and Isaac Bashevis Singer went on a bender and collaborated on a novel, it would be American Goliath! Harvey Jacobs's masterpiece...
