### ***Reviews***

*A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. Its been designed in an exceptionally easy way in fact it is only after i finished reading this publication where in fact modified me, alter the way in my opinion.*  
**(Prof. London Gerlach)**

## MELT AND SOLVE (PAPERBACK)

Salt Publishing, United Kingdom, 2015. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. In 2013 the poet Roddy Lumsden suffered a serious concussion. The head injury left him devoid of creativity, impersonating himself in an effort to rediscover his own identity. Four months later, a late night conversation led to a radical experiment that would see him return to writing with a daring project. This book is that extraordinary work. As the poet says, The series of plaintive poems entertains the idea of sentimentality. It encourages fetishes, by which I mean repeated references and name dropping. It is hand on heart stuff. Sweeping, indulgent last lines, often. Emotional, evoking the mood I found myself in as I recovered, solved.
