Forgotten Books, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from Otello de Verdi Et le Drame Lyrique Ce fait doit - il etre attribue a la superiorite meme du genie de Verdi? Voila une question a laquelle il est im possible de repondre. Le genie n est pas chose qui se voit et puisse etre mesuree directement. On n en saurait juger que par ses manifestations. Or celles - ci ne sont pas de terminees par lui seul; car toute force, alors qu elle entre en action, doit compter avec les circonstances au milieu desquelles elle se produit. Pour un opera, par exemple, le choix plus ou moins heureux du poeme, et l idee que se fait l artiste des exigences de la forme musicale, ne sont pas sans exercer une grande influence sur son oeuvre. Or sous ce double rapport, nul compositeur de race latine ne s est encore trouve, a ma connaissance du moins, dans des circonstances aussi favorables que Verdi quand il aecrit son Oello. Plutot que de courir le risque de com mettre une injustice, dont la gloire de Verdi n a du reste pas besoin, tenons nous en donc a la cause immediate de la superiorite de sa derniere oeuvre. Elle provient, suivant nous, de ce que jamais en langue latine, un aussi bon poeme n a ete mis en musique, d une facon aussi fidele, par un musicien d une aussi grande valeur. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
