Elsevier's Surgical Technology Exam Review (Paperback)

By Anbalagan George, Joseph E. Charleman

Elsevier - Health Sciences Division, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. The all-in-one surgical technology review you've been waiting for is finally here! Elsevier's Surgical Technology Exam Review combines comprehensive content review, worktext practice, and customizable simulated testing options to give you the 360-degree preparation needed for success on the CST exam. Content chapters offer a thorough review of the CST exam focus areas - including medical terminology, basic science, asepsis, surgical technique, and surgical procedures - all in a helpful outline format. Each chapter also features full-color images and illustrations, review questions with rationales, and surgical concept maps. A sample exam at the end of the book provides a simulated test-day experience. The realistic preparation continues online with a testing engine that lets you access exam questions by category or create custom-generated exams that match the format of the CST exam. If you're looking to pass the CST and be fully prepared for clinical practice, this is the one Surgical Technology review book that you can't afford to be without! **UNIQUE!** All-in-one resource incorporates content discussions, worktext practice, review questions, and $\frac{1}{2}$ six full practice exams to fully prepare users for...
