Dover Publications Inc., United States, 1989. Paperback. Book Condition: New. 274 x 204 mm. Language: English . Brand New Book. Defining beauty in art as the result of man s pleasure in his work, the noted English poet, designer, craftsman and pioneer Socialist William Morris (1834-1896) spent most of his life enthusiastically expounding this view through his many attractive designs for interior furnishings. The present book faithfully reproduces 40 of the most celebrated examples of Morris s work, reprinting in full color all the color plates from The Art of William Morris, published by George Bell Sons in 1897. Included in this splendid, ready-to-use archive are richly detailed wallpaper designs incorporating marigold, vine, acanthus, apple, wild tulip, daisy and trellis motifs; hand-painted tiles with a rose pattern; chintzes displaying honeysuckle and bird and anemone designs; an acanthus design on printed velveteen; a superb peacock and dragon design on woven wool tapestry; a magnificent Kidderminster carpet with its lily motif. Originally intended to decorate Victorian homes, these tasteful patterns provide a wealth of source material for modern artists working in advertising, textile, residential or industrial design. Commercial artists and graphic designers will welcome this modestly priced collection of copyright-free designs by one of the most influential artists of the Victorian period.
