Excerpt from Arabian Medicine IN the course of the last ten years there have been conferred upon me two public honours which have given me the greatest pleasure and satisfaction, my election in 1911 as a Fellow of the Royal College of Physicians, and the presentation, on the occasion of my fifty-ninth birthday in February, 1921, of a complimentary address (accompanied by very beautiful presents)-signed by a number of representative Persians, expressing their appreciation of the services which, they were kind enough to say, I had rendered to their language and literature.
