Brand New Book ***** Print on Demand *****.Fifth-Quarter Faith: Lessons to Learn When the Game is Over focuses on what Coach Eric Littleton characterizes as the teachable moments in sports. In an age of a win-at-all-cost mentality where coaches and parents alike are growing increasingly outrageous in their behavior, Fifth-Quarter Faith redefines our goals and objectives in sports using real-life stories from Coach Eric Littleton s fifteen years of coaching basketball at the high school and college levels. Using biblical stories to draw comparisons to real-life scenarios, parents and coaches alike are challenged to raise the bar in their attitude and conduct as it relates to their children s involvement in sports and other extracurricular activities. Fifth-Quarter Faith is a great tool for church discussion groups and Bible studies, weekend seminars, youth sports league orientations, or just for personal reading.
