But with the death of her husband, she has to take on the challenge. And with four children, it s not so easy, but she stays afloat by midwifing for the women in her community of Schmicksburg, PA. She becomes concerned that her daughter is too distant, perhaps from depression, so one day she confronts her on the matter. Now, Leah has to try to fold this rebellious teenage boy into the monotony that is raising a farm. However, she ll learn that, in order to keep this growing family together, she must accept the reality of what God has presented to her. -----
