Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

SILVER LIES (PAPERBACK)

Poisoned Pen Press, United States, 2007. Paperback. Condition: New. Reprint. Language: English . Brand New Book ***** Print on Demand *****. They all came to Leadville with the same purpose: Get in. Get rich. Get out. As 1879 draws to a close, this Rocky Mountain boomtown has infected the world with silver fever. It's not much different than the mania or the corporate scams that heat up over a century later. Unfortunately for Joe Rose, a precious-metals assayer, death stakes its own claim. Joe's body is found trampled into the muck behind Inez Stannert's saloon. Inez already had much more to deal with than pouring shots of Taos Lightning and cleaning up a corpse. A lady educated on the East Coast, she has a past that doesn't bear close scrutiny, including her elopement with a gambling man who has recently disappeared. Most townsfolk, including Inez's business partner, Abe Jackson, dismiss Joe's death as an accident. Death, after all, is no stranger in Leadville. But Inez wonders: Why was this loving husband and father carrying a brass token good for one free screw at the parlor house of Denver madam Mattie Silks? When Joe's widow Emma asks Inez to settle Joe's affairs, almost against her will, Inez uncovers skewed assays, bogus greenbacks, and blackmail. Lies and secrets run deep in Colorado, secrets more likely to lead to a hanging than to today's congressional hearings or country-club prisons for the crooked and the greedy. Then again, maybe Joe's murder was purely personal.
