## Child Behavioral and Parenting Challenges for Advanced Practice Nurses: A Reference for Front-line Health Care Providers (Paperback)

By Mary E. Muscari

Springer Publishing Co Inc, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Delivers the most comprehensive information available for APNs on dealing with child behavioural and parenting challenges. Front-line nurse practitioners are increasingly required to assess, identify, manage, and refer the complex and often significant childhood behavioural challenges occurring among children and adolescents. This authoritative and comprehensive behaviour management reference provides nursing health care providers and students with the evidence-based information and strategies they need to identify and appropriately intervene with such behavioural challenges and to assist parents in dealing appropriately and effectively with their child. In an accessible and easy-to-read format, it examines the primary health care professional's role in screening behavioural issues, identifies a great variety of problems they are likely to encounter, and educates the provider on how to assess difficult and challenging behaviours. Each problem is consistently organised to include a description; assessment; diagnosis; levels of prevention/intervention; primary, secondary, and tertiary strategies for dealing with the behaviour; and additional resources. Not only does the book provide a clear indication of when and how to refer the youth to the appropriate mental health professional or other specialist, but delineates strategies for what...
