CHARACTERISTICS OF CHRISTIAN MORALITY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Instead of a thick volume, with voluminous notes and appendices, here is a thin volume, with a small appendix consisting of brief notes. There is no profession of deep research or extensive reading. The author deals, of course, more or less with the principles and arguments of Mill, Lecky, F. W. Newman, and a few other authors of mark, but he does not quote them at much length, or employ any elaborate induction of evidence or argument in confutation of those who deny the authority or the supremacy of Christian morality. Possibly, however, the book may be not the less useful. It is not too long for even the busy to read; it is acute, honest, tender, not eloquent out of season, but eloquent in season. It is not cumbrous in its coil of thought, and wears no appearance of abstruseness; but yet it holds in view the deepest questions, and is not seldom marked by suggestions which are very bold and far-reaching. The tone of the whole book is elevated, and the treatment throughout clear and healthy. The successive heads of the chapters will indicate to some extent the order of thought and discussion. They are as follows: What is morality? Virtue is Unselfishness; Vice is Selfishness. Christianity and the Appetites. Christianity and Ambition. Christianity and Self-dependence. The Universality of Christian Morality. Alleged Defects of Christian Morality. Summary and Conclusion. In the lecture on Virtue is Unselfishness, the lecturer lays it down that self-consciousness is the one human property which differences and defines the race. All else, even within the man, is but as the dress which he wears, the apparatus with which he is equipped, the dwelling assigned...
