Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The old saying, What doesn't kill you will make you stronger, has been a motivational statement for many generations. Buried within the statement is an unknown story of someone being faced with difficulties and overcoming them. The elements of this particular statement could have not resonated more with Tiffany Bassett, a successful life coach who has been able to inspire others. Though Tiffany has worked hard to encourage and help change the lives of many, it is her own personal life story that has created a foundation for her to achieve her life goals. From happiness, betrayal, and heartache to the rebuilding of love, Tiffany's story is one that is filled with life lessons. Standing tall and confident while addressing a crowd gathered to hear her intriguing words, she becomes overcome with emotion when she reflects on her past challenges. This story not only shares the ups and downs of Tiffany Bassett, but also provides a guide to recovery for those faced with similar obstacles. Seen through the eyes of Tiffany and told from her perspective through her experiences, this story pounds at the heart of emotion and aims to send the reader on a journey that forces them to dig deep within their spirit and awaken a part of themselves they never knew existed.
