paperback. Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pub Date: October 2004 Pages: 157 Publisher: China's peaceful Press the saying goes. Ten trees. takes a hundred years to cultivate a person takes a long time subtle influence of the early education of such children is especially important. to a person values ??the establishment of the formation of personality. and intellectual development has a key role. But give the kids what to read? Many experts recommend to read the Chinese classic culture. The so-called classic contains a rich and representative normally Road. common sense. the book can teach life often Standing . These books after the erosion of the long history of more eternal value. allows us free from the constraints of time. experience the glorious ancestors wisdom. China's traditional culture in spite of thousands of years. but Guoxue some cultural essence. to establish a close relationship with reality. such as honesty. self-reliance. self-cultivation. filial piety. etc. these are the traditional Chinese virtues and traditional culture in the most prominent feature. Especially in today's society. not only to give their children knowledge. but also to teach them how to behave this way. the man behind the philosophy of ancient culture will play a big role. Moreover. children memory is particularly good. they should be allowed to read some more valuable book in the most readily accepted knowledge. on the one hand. you can learn the ancient culture. increase knowledge. increase conservation; the other hand. can learn from the wisdom. With the growth of the age and experience of the children. these will become a sum very valuable spiritual wealth. life is good enough to infinity. Easy to accept our classic in order to let the children. we have...
