Little, Brown Company, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. The explosive third novel in James S.A. Corey s New York Times bestselling Expanse series. Now a major television series! For generations, the solar system -- Mars, the Moon, the Asteroid Belt -- was humanity s great frontier. Until now. The alien artifact working through its program under the clouds of Venus has appeared in Uranus s orbit, where it has built a massive gate that leads to a starless dark. Jim Holden and the crew of the Rocinante are part of a vast flotilla of scientific and military ships going out to examine the artifact. But behind the scenes, a complex plot is unfolding, with the destruction of Holden at its core. As the emissaries of the human race try to find whether the gate is an opportunity or a threat, the greatest danger is the one they brought with them. Abaddon s Gate is a breakneck science fiction adventure following the critically acclaimed Caliban s War.
