A polite planet embodies a worldview of a civilized society one that is enlightened and empathetic. from the Introduction Cyberbullying, hostile and polarizing political infighting, and tasteless and tactless behavior may be on the rise, but it doesn't have to be this way. Sara Hacala, a certified etiquette and protocol consultant, offers a definitive look at what civility means and how it can change the nature of everyday interaction. She goes beyond a superficial discussion of proper manners to present civility as a mind-set that encompasses values and attitudes that help you embrace your connections to others and repair society.
