

Transplanting Faith (Hardback)

By Charles Gary Godwin

Xulon Press, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Type II diabetic, arterial blockage cleared by heart catheterization with four stents inserted, fall and resulting fractured L3 vertebrae, left lung transplant, heart attack in ICU while recovering from transplant, two more stents inserted and I leave the hospital 11 days after entry. Many believe my survival from surgery and health issues noted makes my life a miracle. I believe, as does my friend Tammie, that God has more for me to do. Thanks for your interest and may you be positively impacted by one man s miraculous journey. Charles Gary Godwin Transplanting Faith recounts the experience of a truly wonderful and courageous man, who through a balanced combination of trust, faith and diligent self-seeking, wrestles with a deadly lung disease. Gary s journey inspires us all - patients, family members of the afflicted, caregivers, scientists, and physicians - to exercise faith in difficult circumstances. Dr. Victor J. Thannickal Director, Division of Pulmonary University of Alabama at Birmingham I really enjoyed your manuscript and think it is well done - gracious, thankful, reflective, and exhortative in a good and appropriate way....
