Reviews

Very helpful to all category of individuals. It is definitely simplified but surprises inside the 50 percent of your pdf. I am very happy to inform you that this is actually the very best pdf i have read in my very own lifestyle and may be he finest pdf for actually.
(Christelle Treutel)

BLADEN COUNTY, NORTH CAROLINA ABSTRACTS OF EARLY DEEDS, 1738-1804.

Southern Historical Press, Inc., 1992. Soft cover. Condition: New. No Jacket. By: Brent Holcomb, Pub. 1979, Reprinted 1992, 88 pages, soft cover, Index, ISBN #0-89308-189-2. At its formation in 1734, Bladen encompassed everything west of the present county. Even though many of Bladen's Deeds were lost in the three court house fires, these abstracts are especially informative, with many long chains of title going back to original grants and many references to bordering Craven County, S.C. This book will provide many links which were formerly thought forever lost.
