Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a smart and lively volume, with which everyone will have faults to find, but which will afford considerable pleasure to Anglo-Indian, if not to home readers. It assumes all those jauntish airs for which ninety-nine light books of travel out of a hundred are now distinguished, and there is a rapidity of transition from caricature and badinage to sober narrative, which rather does violence to good taste; yet we can safely recommend it both for the amusement and information which it affords. Our author left Bombay to visit, on sick certificate, the Neilgherries, which word he translates, for the benefit of English readers, and calls the Blue Mountains. But he who has been so fortunate as to enjoy the interior scenery of our harbor, and to sail up to Ghorebunder, well knows that for variety and boldness of outline, and for richness of coloring, the beauties of the view are unrivalled. The description of Goa is rather meager; we hoped to find some details of those imposing edifices about which Buchanan first excited our curiosity, but we were doomed to disappointment, and were obliged to be content, instead, with the account of a rascalion English Officer s adventure. And as we are thus brought to the subject, we cannot help remarking that, however unintentionally, this work represents the...
