Universal Power Publishing, United States, 2013. Paperback. Book Condition: New. 198 x 126 mm. Language: Chinese . Brand New Book ***** Print on Demand *****.Simplified Chinese Translation Why Are So Many Jews Millionaires? Jews are estimated to make up less than 1 of the world s population, yet approximately 25 of the world s billionaires are Jewish. Jews are always found on lists of the world s richest people. In 2009, 139 of the Forbes 400 were Jewish. Jews also comprise a very large number of history s most important figures, people who have had a profound impact on humanity. Approximately 35 of Nobel Prizes have been awarded to Jews. No other ethnic group has even come close to matching the abilities and accomplishments of Jews. Since such a large percent of the wealthiest and most successful people in the world are Jewish, a common question the world over is, Why are so many Jews so wealthy? Their secret lies not in their genetics or intelligence, as some have believed, but in their religion. Many of the wealthiest Jews use a code based on Judaism. You do not need to convert to Judaism or believe in religion to use The Money Code. Religion has preserved history s greatest wisdom teachings, says religious studies scholar Huston Cummings Smith. There are various methods of wealth creation; however, many are short-lived, unfulfilling, or hazardous. The ideal circumstance is to create long-lasting wealth, accompanied by peace of mind and fulfillment. This book will reveal the code that many Jews understand and use to their great advantage. The Money Code can be used by absolutely anyone to achieve long-term wealth and success in life.
