Arcadia Publishing Library Editions, 2006. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. German Cincinnati explores the German American experience in the Greater Cincinnati area. German immigrants first came to the region in the late 18th century and then arrived in great waves beginning in the early 19th century. These German American immigrants and their descendants have greatly influenced the social, political, cultural, religious, and economic growth and development of the area, earning Cincinnati a reputation for its German heritage. It is known as one of the corners in the famed German Triangle, along with St. Louis and Milwaukee. German Cincinnatians survived the hard times of the world wars of the last century, even experiencing an ethnic heritage revival that has reaffirmed the area s reputation as one of the major centers of German heritage in the United States today.
