

Language and Languages: Being Chapters on Language and Families of Speech (Classic Reprint) (Paperback)

By Frederic W Farrar

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Language and Languages: Being Chapters on Language And Families of Speech This book is a reprint of my C/zaplers on Language and Families of Speak - of which the former was written in defence of the theory of Onomatopoeia as the only discovered or discoverable basis of language, and the latter was composed of Lectures delivered before the Royal Institution. Both works have passed through several editions, and the continued demand for them shows that they have been found useful by students of the young and intensely interesting Science of Language. Subsequent study during the eleven years which have elapsed since their first publication would have enabled me to add largely to what I have here written on the subject, but it has not rendered necessary the alteration of a single material fact; and as both parts of the book in their original form were fortunate enough to receive the approval of very high authorities, I have felt justified in accepting the suggestion of the Publishers that they should now be republished in a single volume. Reviews

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

-- **Matilda Hoeger V**

This pdf may be really worth a study, and much better than other. I could possibly comprehended every thing out of this composed e ebook. You will not sense monotony at anytime of your time (that's what catalogues are for regarding when you check with me).
