Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A collection of poetry celebrating the spiritual yearning, fulfilment, loss and transcendence of love. Shades of love are presented as beautiful aspects of life, as colours formed from light. Love has many faces and tells many stories. In many seasons and climes, in royalty and in commoners, in northerners and southerners, love is a distinct voice that speaks from the soul. Love in Asia addresses love from many view points, primarily from an Indian perspective. It explores the blessings, the celebrations, the longing, the lessons learnt and the divine harmony of eternal love, transcending race and gender and breaking down barriers to show common feelings among humanity. Rich Follet for Readers Favorite a halcyon reverie which makes the readers feel a vicarious blush of hope (for romantic love) A distinct aura of the divine a series of intimate glimpses of the redemptive power of romantic love and a cathartic vision of spiritual triumph in the wake of loss Intends to uplift and inspire and brilliantly succeeds in doing so.
