Reviews

A top quality ebook and the font used was fascinating to read through. It is written in easy terms and not confusing. It's been written in a remarkably easy way in fact it is simply after I finished reading through this publication through which actually altered me, alter the way I believe.

Scholastic US, United States, 2005. Paperback. Book Condition: New. 192 x 134 mm. Language: English . Brand New Book. Enter the world of Geronimo Stilton, where another laugh is always right around the corner. Each book is a fast-paced adventure with lively illustrations and a unique format kids 7-10 will love. Jumpin gerbil babies, I was so excited. I was heading to America for the first time ever. Thea, Trap, and Benjamin were all coming with me. And we were going to visit a real ranch and go riding and herding cattle cowboy-style. It was sure to be my most whisker-licking-good adventure yet.
