CLEAVE NOTES: ON COMMUNICATION (PAPERBACK)

Goodlife Series, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Cleave Notes is a book about communication in marriage. Women interested in improving their relationships and having a happier marriage are encouraged to read this first volume of the original series - Cleave Notes. Men are directed by God to leave and cleave. What are women directed to do? The bible is the ultimate book about communication. It is timeless and applicable at any stage in life. Cleave Notes provides this same guarantee because it is based on scripture. Whether you are a new or a seasoned bride, Cleave Notes will improve the manner in which you communicate with your husband. Your calling as a wife is to help your husband cleave to you. This action can be successful or a failure as a result of communication. Similar to the Cliffnotes of the 60 s, you ll only pass your test if you read the actual textbook (the Bible).
