By Anushka Ravishankar, Sirish Rao

Tara Books, India, 2016. Paperback. Condition: New. Bai Durga (illustrator). New ed. Language: English . Brand New Book. The first paperback edition of one of the most popular children's titles from Tara Books. This visually stunning read-aloud book invites young children to count the improbable number of animals that clamber up an ever-expanding tree. Illustrated with art from the Gond tribal tradition of central India, *One, Two, Tree!* is a number book, a picture book, a nursery rhyme and a fable about living together. From the state of Madhya Pradesh in central India, the Gonds are a community of highly visual people. They surround themselves with their stunning art, which is traditionally painted on the mud floors and walls of their homes. Hailing from a densely forested region, the tree is at the heart of their art, providing a rich source of inspiration. *One, Two, Tree!* is a unique and accessible way of introducing even very young children to this exceptional art form.
