REFORMED SACRAMENTALITY (PAPERBACK)

Liturgical Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. In *Reformed Sacramentality*, the late Graham Hughes discusses the role of physicality in worship. He contends that to counter the Reformed tradition's vulnerability to a cultural colonization by secular modernity, Reformed theology needs to amplify its appreciation for God's omnipresence in creation with a re-appropriation of the condensed symbols of faith. Hughes's argument builds on a historical analysis of the Reformed tradition's rejection of material sacramentality and its ecclesial and cultural consequences. From a late modern vantage point, Hughes advocates for a rediscovery of material sacramentality both as a lever against modern solipsism and as an iconic reminder of God's radical otherness.
