

## Exploring Old Quebec: Walking Tours

By Maude Bonenfant

Vehicule Press, Canada, 2016. Paperback. Book Condition: New. Revised. 177 x 107 mm. Language: English . Brand New Book. Quebec is one of the most visited cities in North America, for good reason it has a unique charm. A romantic city, it attracts lovers as well as families and tourists interested in history. In 1985 UNESCO named Quebec a World Heritage Site. It is the only city in either Canada or the United States to have preserved its original walls and fortifications. Although the city has been the scene of armed conflict, many historical buildings remain. For the curious travellers, the seven walking tours in Exploring Old Quebec are a voyage of discovery through the rich history of an extraordinary city founded by Samuel de Champlain in 1608. This completely revised guide also includes four thematic itineraries, maps, and practical information.
