MR. THACKERAYS SKETCHES (CLASSIC REPRINT)

Forgotten Books. Paperback. Condition: New. This item is printed on demand. Dimensions: 9.0in. x 6.0in. x 0.1in. Excerpt from Mr. Thackerays Sketches It is, however, impossible to go over the book in detail. There is nothing but fun and nonsense in it, and yet, curiously enough, the impression it makes is entirely tender and pathetic. We are less amused than touched by the soft breath of recollections, the love so delicately shadowed out, without a word that can profane or even vulgarise its sacredness, of which these pages are full. To those who knew Thackeray, this delicate suggestion of him must, we do not doubt, come home with wonderful meaning; but even to those who did not know the man, such indications of him as are to be found here will be more valuable than the details of vulgar volumes of biography. The world has nothing to do with the private griefs and struggles of a man who respects his own privacy, and chooses to preserve it, none the less that he is a great author, and much in the eye of the world. To those who like to excite and to satisfy the curiosity of the crowd, there may be nothing undignified, nothing paltry, in the desire to appeal to the public for a posthumous arbitration of their difficulties and quarrels. -but Mr. Thackeray was not of this disposition, and we think he was right. Yet without any story given, or any secrets disclosed, here is a sketch of him, shadowy and slight as his own sketches, telling little, yet all that it is needful to know. The cold critic who does not care for such a true and affecting human revelation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books....
