Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

I m Talking, she walks us through her poems compelling everyone tired of being muted out to scream. With over 22 years of experience in life under her belt she digs deep into her feelings of shame, loss, and love to create a life jacket for others to float on. People may have already heard the words of R.L. Brown at Poetry Lounges in the Los Angeles Area, however much of her emotionally exposed work has been saved for her book. Her poems discuss issues surrounding Love Loss Death Race Identity Management With something for everyone to relate to, Isaye exposes herself for the first time to a life without the protection of her life jacket, and without anonymity and noise to hide behind.
