

## The Legacy of the Baby Boomers or the French Social System? Issues of Equality and Brain Drain (Hardback)

By Marie-claire Patron

Sense Publishers, United States, 2012. Hardback. Book Condition: New. 236 x 160 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book aims to identify key factors influencing the increasing brain drain of French early and mid-career graduates primarily to Anglo-Saxon countries in order to avoid the inexorable outcome of their tertiary studies: precarious employment conditions relegating them to the status of intellectual underclass in France. This qualitative ethnographic study investigated the experiences of 38 French nationals and expatriates aged between 21 and 48 to provide a voice to the increasing number of students and graduates who despair at the thought of witnessing their years of study culminate in a perennial cycle of training, unemployment, internship. What distinguishes the French from their European counterparts who also struggle to secure employment and a decent future? These unprecedented circumstances in Europe are as a result of the global financial crisis and the current sovereign debt dilemma. Who is responsible for the quandary in which French graduates find themselves in the stratified French society of today, where globalisation has made academic mobility de rigueur? France risks losing her talented Generation X to more accepting countries where a spirit of meritocracy...
