*Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Nova Vista Publishing, Belgium, 2015. Paperback. Condition: New. Language: English . Brand New Book. Between 40 and 70 percent of start-up businesses fail in their first four years, mostly because of money problems. Even growth can kill you! Unlike many other business finance books, this one shows you how to recognize if you need outside help-- getting funding, planning cash flow, growing a business, controlling costs, avoiding pitfalls, running day-to-day finances, using accountants and software tools, and more. But it also sets you up to successfully do the things you can do yourself. Each of the books in the Crash Course for Entrepreneurs series offers a high-level overview of the critical things you need to know and do if you want to survive and thrive in our super-competitive world. Of course, there s much more to learn about each topic, but what you ll read here will give you the framework for learning the rest. Between them, Marc A. Price, Michael F. O Keefe, and Scott L. Girard, Jr. have successfully started 17 companies in a wide variety of fields. Scott was formerly executive vice president of Pinpoint Holdings Group, Inc. Mike founded O Keefe Motor Sports in 2004 and grew it into the largest database of aftermarket automotive components in the world. Marc has launched seven companies of his own and collaborated with the Federal government, U.S. military, and major nonprofits and corporations.
