Humble Inquiry: The Gentle Art of Asking Instead of Telling

By Edgar H Schein

Gildan Media Corporation, 2014. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The key to effective communicationCommunication is essential in a healthy organization. But all too often when we interact with people--especially those who report to us--we simply tell them what we think they need to know. This shuts them down. To generate bold new ideas, to avoid disastrous mistakes, to develop agility and flexibility, we need to practice humble inquiry.Ed Schein defines humble inquiry as the fine art of drawing someone out, of asking questions to which you do not know the answer, of building a relationship based on curiosity and interest in the other person. In this seminal work, Schein contrasts humble inquiry with other kinds of inquiry, shows the benefits humble inquiry provides in many different settings, and offers advice on overcoming the cultural, organizational, and psychological barriers that keep us from practicing it.

Reviews

A high quality ebook as well as the typeface employed was exciting to read. It is actually loaded with wisdom and knowledge You wont sense monotony at any moment of the time (that's what catalogues are for concerning when you request me).

-- **Declan Wiegand**

This publication is wonderful. it was actually writtern very completely and beneficial. You may like the way the writer compose this publication.
