Gotham. Paperback. Book Condition: New. Paperback. 320 pages. Dimensions: 7.4in. x 4.9in. x 0.9in. An entertaining illumination of the stupid beliefs that make us feel wise, based on the popular blog of the same name. Whether youre deciding which smartphone to purchase or which politician to believe, you think you are a rational being whose every decision is based on cool, detached logic. But heres the truth: You are not so smart. Youre just as deluded as the rest of us but thats okay, because being deluded is part of being human. Growing out of David McRaneys popular blog, You Are Not So Smart reveals that every decision we make, every thought we contemplate, and every emotion we feel comes with a story we tell ourselves to explain them. But often these stories arent true. Each short chapter covering topics such as Learned Helplessness, Selling Out, and the Illusion of Transparency is like a psychology course with all the boring parts taken out. Bringing together popular science and psychology with humor and wit, You Are Not So Smart is a celebration of our irrational, thoroughly human behavior. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
