Ed465 090 - What Role Can Dual Enrollment Programs Play in Easing the Transition Between High School and Postsecondary Education?

By Thomas R Baily, Katherine L Hughes, Melinda Mechur Karp

Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.Dual enrollment programs allow high school students to enroll in college courses before high school graduation, giving them firsthand exposure to the requirements of college-level work and allowing them to gain high school and college credit simultaneously. The role of dual enrollments in easing the transition between high school and postsecondary education was explored through a review of dual enrollment programs across the United States. Particular attention was paid to New York City's College Now program and Wisconsin's Youth Options program. College Now allows seniors from select New York City high schools to take up to six credits of college-level courses per semester at their high school. Whereas College Now focuses on academic subjects and preparing students for college-level work, Youth Options focuses on providing young people with expanded curricular choice, particularly in vocational subjects. Compared with other City University of New York freshman, College Now graduates earned more college credit than and were more likely to graduate from college on time. Youth Options was found to have had a discernible impact in providing a wide...
