Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Federal-Grant Research at the State Agricultural Experiment Stations, Vol. 7: Projects on Entomology and Economic Zoology; Section C This compilation is one of a series providing information on State agricultural experiment station research supported by Federal grant funds appropriated annually by Congress under authorization of the Hatch Act of 1887, as amended and approved Aug. 11, 1955, and Section 20a(b) of the Agricultural Marketing Act of 19a6. It is prepared for use by research workers in the subject-matter areas presented. Only that part of each State s research program supported by Federal-grant moneys is included. In addition to the Federal-grant moneys, the State experiment stations receive some Federal support through cooperative agreements or contracts with the U. S. Department of Agriculture. Information on such research, along with other departmental research is available in the Central Project Office, Agricultural Research Service. A substantial part of each State agricultural experiment station s research is supported with moneys appropriated by the respective State or Territorial Legislatures and through other forms of private and public financing. Information on current agricultural research at the stations which is not financed under the Federal-grant program or through usda cooperation can be obtained from experiment station directors. The information given in the series of Federal-grant compilations includes the title and objectives of each Federal-grant project per taining to the subject given on the cover. The identification of each project gives the department(s) conducting the research, the station number of the project, and the number of the regional project if it is a contributing project.
