## SHAKESPEARE S MONEY: HOW MUCH DID HE MAKE AND WHAT DID THIS MEAN? (PAPERBACK)

Oxford University Press, United Kingdom, 2018. Paperback. Condition: New. Reprint. Language: English . Brand New Book. There is no doubting Shakespeare s literary genius, immortalised in his published work. This is true if we wish to know about Shakespeare s movements on even a month-by-month basis, or about his working practices and relationships with his theatrical fellows. However, too great an emphasis on this dearth of material not only leads to ill-informed comment that this is somehow suspicious but also tends to downgrade the importance of what material has survived, often dismissed instead simply as evidence of his business dealings which have little bearing on his creative work. However, this material does at least help us to evaluate how successful Shakespeare was in earning a living in a profession which, in his day, was far from mainstream. Shakespeare undoubtedly died a man of comfortable means, but, as this book demonstrates, there is little to justify claims that he died possessed of great wealth. The circumstances of his daughters marriages are a sufficient indication that he had not achieved true gentlemanly status. Moreover, following a period of increasing prosperity, these business records also reflect a declining income during the last ten years or...
