THE GOURMET S GUIDE TO LONDON (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from the Preface:"In describing in this book some of the restaurants and taverns in and near London, I have selected those that seem to me to be typical of the various classes, giving preference to those of each kind which have some picturesque incident in their history, or are situated amidst beautiful surroundings, or possess amongst their personnel a celebrated chef or maître d hôtel. The English language has not enough nicely graduated terms of praise to enable me to give to a fraction its value to each restaurant, from the unpretentious little establishments in Soho to such palaces as the Ritz and Savoy, but I have included no dining-place in this volume that does not give good value for the money it charges.".
