Rack Tedder and Robin Spindley, close friends and neighbors, are your average, typical grade-schoolers. Suddenly, Rack and Robin found themselves transformed into masked superheroes with near limitless abilities. Just in time, because bearing down on Earth with his alien army is a powerful force intent on conquering and enslaving all the peoples and inhabited planets in the universe in his quest for galactic dominance. Soon Rack and Robin, with the aid and guidance of a guardian of the universe, have to fight Hagfoth and several of planetary armies with its highly advance technology. Along with their powers, Rack and Robin must not only face several interplanetary battles but uncover several hidden secrets as well. For example, maybe there is more to their families than it seems and maybe aliens are not so rare on Earth.
