Andersen s popularity is not limited to children; his stories, called eventyr in Danish, or fairy-tales in English, express themes that transcend age and nationality. Andersen s fairy tales, which have been translated into more than 125 languages, have become culturally embedded in the West s collective consciousness, readily accessible to children, but presenting lessons of virtue and resilience in the face of adversity for mature readers as well. Some of his most famous fairy tales include The Little Mermaid, The Snow Queen, The Ugly Duckling, The Nightingale, The Emperor s New Clothes and many more.
