While the spread itself is deceptively simple the readings that can be derived from it can go deeper than you might first imagine and can indeed be life changing, This is why the spread and the material that goes with it are considered excellent tools for counseling with the tarot. Have you ever wanted your clients to return not just because you are offering guidance but because that guidance actually has value, changes lives, making a difference? That s what tarot reading should be about. If you really want to make a difference, and a full career of reading the tarot then this is the best starting place. You will no longer be giving readings, you will be taking sessions with clients, you will change lives, perceptions and the results people...
