Combined Assessment Program Review of the VA Central Iowa Health Care System, Des Moines, Iowa optimal patient outcomes. We identified three areas that needed improvement. Consultations. System policy requires that inpatient consults be seen by the specialty subspecialty service and that a consult-titled progress note be signed and available to the requesting party preferably within 24 hours but no longer than within 72 hours of the request. We reviewed the medical records of 12 inpatients who had routine consultations ordered and completed internally. Four ( 33 percent ) of the 12 consultations did not meet this timeframe. Intra-Facility Transfers. System policy requires that progress note assessments be completed by registered nurses ( RNs ) from the sending and receiving units when patients are transferred. We reviewed the medical records of 12 patients who transferred between units. Four transfer notes were initiated by licensed practical nurses ( LPNs ) on the...
