## THE COUNTRY CHURCH IN THE NEW WORLD ORDER (CLASSIC REPRINT)

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Country Church in the New World Order This book makes no claim to omniscience nor to a clear view of the future. But one thing is certain. The Great War has jostled every human organization out of its routine. It has applied the acid test to every social group. It has created new standards of usefulness by which men judge. It has effected social changes so revolutionary that others must follow in their train, and the cumulative effect of these and the reactions springing from them will be felt permanently in the lives of men. The greatest need of men in times like these is for the spiritual leadership which will root and ground them in those principles that will give the strength adequate for the new tasks of our new day. The natural custodian of such assets, the natural inspiration of such leadership is the Church. To fulfil its function the Church must recognize the effect of these changes and must be ready to change with them, for progressive change is growth. It must be more than a custodian of tradition, a treasure-house of sacred ritual, a storehouse of biblical knowledge, a depository of doctrine.
