THE STORY OF PAIN: FROM PRAYER TO PAINKILLERS (HARDBACK)

Oxford University Press, United Kingdom, 2014. Hardback. Condition: New. Language: English . Brand New Book. Everyone knows what it feels like to be in pain. How have those in pain interpreted their suffering - and how have these interpretations changed over time? How have people learnt to conduct themselves when suffering? How do friends and family react? And what about medical professionals: should they immerse themselves in the suffering person or is the best response a kind of professional detachment? As Joanna Bourke shows in this fascinating investigation, people have come up with many different answers to these questions over time. And a history of pain can tell us a great deal about how we might respond to our...
