 Oral health among Indian tribal children

LAP Lambert Academic Publishing. Paperback. Condition: New. 120 pages. Dimensions: 8.7in. x 5.9in. x 0.3in. Children are vital to the nations present and its future. Yet communities vary considerably in their commitment to the collective health of children and in the resources that they make available to meet childrens needs. This is reflected in the ways in which communities address their collective commitment to children, specifically for health including oral health. The ultimate responsibility of there health rests with the government...
